

ABOUT WHAT

music

Did you have a bout with the flu this month?

Maybe you went about with a cold.

Sneezing and coughing are what you carried about with you as you went about your day.

You caught it from someone who was carrying it about.

That is about how you spent this month, did you?

About how many miseries did you endure as you went about this year?

Was your misery of a different variety?

Operations, anxiety, and/or stress?

Worse, have I heard about these calamities.

Jesus is about the only way to continually remove and continue to be out of misery.

Jesus went about doing good and healing all those folks who were sick.

Jesus had a great bout with the d/evil one after shedding His Blood on a wooden Cross.

Jesus was crucified.

On that wretched old tree!

Jesus went to hell.

Did you know that?

What a miserable place to go.

He went there that you do not have to.

Jesus in hell overcame the d/evil one and took all the weapons from him that he had trusted in.

Jesus took the keys of death and hell away additionally from him.

Jesus made a bold display of the d/evil one.

Triumphing over him.

Jesus today continues to go about His Father's business.

Do you know you have the right to use the Name of Jesus to cast out that thing you are having a bout with?

It is about time (Jesus).

The Alpha and Omega is Jesus.

The time is here.

Now is the day.

Receive Jesus as your healer and this is all I will say.

Jesus will take all of your misery away.
